MARISYM BIOLOGICALS

ROOTING INNOVATIONS

Welcome to Marisym Biologicals, where innovation meets sustainability to transform industries through the power of nature. At Marisym Biologicals, we are on a mission to revolutionize various sectors by offering sustainable biological solutions inspired by the intricate relationships found in nature.

The company has in-house R&D centre and State-of-the-art manufacturing facility offing need-based solutions with consistent quality to producers, integrators and farmers.

OUR CORE MISSION

To offer natural feed additives of microbial and plant origin for Aquaculture that is performance driven, affordable and environment friendly.

PIONEERING SOLUTIONS

Dive into a world of innovation with our exclusive range of aquaculture solutions. From cutting-edge feed additives to advanced water management products, our portfolio is designed to enhance growth, ensure health, and promote sustainability in your aquatic environment.

CLEAR WATERS: ELIMINATES PATHOGENS, ENSURES PURITY

Introducing our innovative product designed to maintain pond clarity and enhance water quality. Packed with beneficial bacteria, it naturally breaks down pollutants, boosts oxygen levels, and creates a thriving environment for your aquatic life. Say goodbye to algal blooms and foul odors, and welcome a balanced, healthy pond ecosystem. Transform your pond into a pristine oasis with cutting-edge water management solution!

FEED SMART. GROW HEALTHY. CHOOSE DIGESTIVE HARMONY!

Elevate your aquatic health with our cutting-edge feed additive, designed to enhance digestive efficiency and support optimal growth. Infused with multibacterial probiotics, this powerful formula ensures superior nutrient absorption and balanced gut health.

Improved digestion leads to better growth rates, reduced feed costs, and healthier aquatic animals, contributing to more sustainable and productive aquaculture operations.

NATURE'S SHIELD: HERBAL IMMUNITY BOOST FOR STRONGER AQUACULTURE

Enhance your aquatic environment with our potent herbal formula, crafted to strengthen the immune system of your aquatic species. Infused with nature's finest herbs, this product supports robust health, boosts resilience, and promotes a thriving, disease-resistant pond. Nourish naturally and strengthen immunity using our vibrant shield.

PROTECT AND THRIVE: THE FEED ADDITIVE FOR SUPERIOR LIVER HEALTH

Unlock the power of nature with our premium herbal product, designed to support and protect liver health in your aquatic environment. Infused with carefully selected herbs renowned for their liver-boosting benefits, this supplement helps enhance detoxification, improve metabolic function, and maintain overall well-being. Give your aquatic species the natural edge they need to thrive. Choose Herbal vitality for a healthier, more vibrant pond!
